

**DAYS OF ACTION AGAINST THE  
CONSTRUCTION OF EUROPE'S  
LARGEST PIG BREEDING FACTORY**

**August 8th - 11th,  
In Alt Tellin, north-eastern Germany**

**Untill now, the landowning company of the  
future construction site, the Daberkower  
Landhow AG, has not sold it's property to  
the pigstallinvestor Straathof yet. And we  
won't let it! Within our days of action and  
beyond we will express that we won't take  
any deals with Straathof (or other animal  
abusers) by the means of demos and  
creative direct action.**

**More information and directions to the  
camp: [www.schweinerei.blogspot.de](http://www.schweinerei.blogspot.de)**
